### Milk Consent

Chestnut Grove will serve 1% organic milk and bottled water during lunch and snack times. Due to a Maryland state regulation, we are responsible for all beverages served at the school. Therefore we are not allowed to serve *any* beverages sent from home, including water. We encourage you to pack a healthy lunch, limiting the quantity of snacks and sweets.

\_\_\_ My child may not have milk.

If you choose to send in a store-bought treat to be shared with your child's class for a birthday, that treat will be served at lunch unless your child is in one of the full-day classes. In that case, the treat may be shared during the afternoon snack time. Please be considerate of food allergies in your child's classroom.

### Photography/Multimedia Opt Out

This school year, your child may be photographed for birthday and holiday celebrations, class parties, field trips, school-sponsored events and for curricular purposes occurring during school hours and school functions. Pictures are displayed on our bulletin boards, in class memory books and in publications on behalf of Chestnut Grove CDC, and on the internet including but not limited to our website, online social media sites and web-sponsored online photo albums. No child will be identified by name on any social media site by any Chestnut Grove staff member.

Please note: Though we can, and do urge parents and other non-staff members to be discreet when taking and posting photos from Chestnut Grove, the school cannot be held responsible for their actions. Please be considerate of others when working with your photos. If you post photos and must post names, use only first names, not last names.

Also, please be advised that opting-out of the photo opportunities list above does not apply to the professional photographs taken on school picture days.

Please indicate your photo preference below:
